GRAND BANKS 43 EASTBAY FB

BROKER'S COMMENTS

Superb construction, build quality and handling characteristics. A good way to describe the famous Grand Banks range. This Grand Banks 43 Eastbay with flybridge combines all the good points the Eastbay series are famous for; excellent performance and handling in rougher conditions, fuel economy. And with the flybridge she has an enclosed "GB Europe" style salon with sumptuous aft deck. The interior is custom built with centre line double berth in the owner cabin.
