JEANNEAU SUN ODYSSEY 50 DS

BROKER'S COMMENTS

With the newer contemporary designs, Jeanneau's range is a strong competitor for any modern yard. The DS models give much more light and ventilation than most other yachts. Modern styling with good ergonomics you will appreciate while you are under way or leisurely relaxing in the marina or at anchor. Performance, handling and good sea keeping, you will enjoy this design and it's many amenities. This 50DS has a good equipment list, is a one-owner (private) yacht and is to be expected in the Netherlands in the Spring 2017.
