DEHLER 41 DS

BROKER'S COMMENTS

In 1995 Dehler introduced the innovative 41DS model and immediately won 1st prize as European Yacht of the Year. The Dehler 41DS set the benchmark for deck-saloon cruising and in many ways she was ahead of her time. Not compromising on sail performance and handling, the cockpit is designed for effortless short-handed sailing, with two electric winches. And you dont even have to leave the safe cockpitl. The incorporated deck-saloon comes with a generous U-shaped sofa and panoramic view in light ash joinery. She has ample stowage and two double cabins. Expected in Sint Annaland in July 2022.
