KOOPMANS 43

BROKER'S COMMENTS

Excellent built Koopmans 43 with fixed doghouse. Koopmans designs are ideal for long distance cruising and has proven herself to be very reliable, safe and comfortable. She has been kept up to date and well maintained by her second owner and has sailed the European waters. This well balanced yacht has a deep cockpit with ample stowage space and fixed doghouse for extra protection. With her cutter rig the sail areas are more easy and safe to handle. Inside you find a classic style and well finished teak interior.
