HERSHINE PILOTHOUSE TRAWLER 61

BROKER'S COMMENTS

Excellent semi-custom built long-distance Trawler from the famous Hershine Yard. Built to high specifications, this 61' "Portugese" bridge deck model has the amenities you wish for. She is suitable for in- and offshore cruising in the higher and lower latitudes with ample size tanks to be self-supporting for longer periods. Stabilizers, twin gen sets, central heating, airco, hydraulic thrusters, etc. Fitted with twin modern Volvo diesels she can cruise very economically with very low noise levels. Thus making an onboard stay a welcome and comfortable one.
