KOOPMANS 44

BROKER'S COMMENTS

Dick Koopmans known as one of the most acknowledged yacht designer from the Netherlands. All his yachts come from first hand experience. He cruised the world himself, shown in his excellent seaworthy designs. This 44 ft ocean cruiser gives you the opportunity to do the same. With keen deck layout, cutter rig, and bow thruster, she is easy to sail and maneuver. Very well equipped for long distance sailing and pleasant stay on board. No worries when you run out of wind, the engine is renewed.
