BREEHORN 41

BROKER'S COMMENTS

The Breehorns are valued for their sailing characteristics, safety, appearance and seaworthiness. They are therefore built to sail comfortably. The 41 model is by Simonis - Voogd and thus the fastest among the Breehorns and a balanced design when it comes to liveability, handling and sailing characteristics. The interior is well crafted and tastefully finished with meaningful details and a practical layout with 2/3 cabins with plenty of storage space and headroom. From the first owner who has carefully maintained her. An excellent yacht to discover the European waters.
