GRAND BANKS 46 EUROPA

BROKER'S COMMENTS

The more sought after model by Grand Banks, the Europa line with aft deck, deck salon, galley and helm position all on the same level thus creating much more comfort and livability. For more privacy, unobstructed view of the surrounding and even more quieter cruising, the flybridge is the place to be. Sheer elegance, Grand Banks build quality and mouth watering appeal and performance is appreciated by many who want to combine onboard entertainement and leisure cruising. All new Garmin navigation equipment plus electronic engine controls etc. Superb condition!
