

## NELSON 46

## BROKER'S COMMENTS

Are you looking for a yacht with sturdy looks and seaworthy qualities? Then this Nelson is worth a look. The two powerful engines are capable of 20 knots speed and have a good sound insulation. The yacht is easy to control with 360 degree visibility and has an outside steering position. The interior offers a large stateroom with saloon, galley downstairs and two cabins, toilet and separate shower.

*Ger Bayens*
