BROKER'S COMMENTS

The Sweden 370 was new on the market in 1993, a successful cooperation between Peter Norlin, Jens Ostmann and the famous Sweden Yachts yard. Superb Scandinavian build quality and short handed sailing performance. Well kept by her first owner who sailed the European waters and had her inside for every winter. She handles beautifully with high demands on functionality and elegance. The Sweden 370 was the culmination of years of experience and appreciative owners.
