DARTSAILER 30

BROKER'S COMMENTS

Charming Dutch classic motorsailer. Fitted out with a second generation engine, sails, electronics etc, the Dartsailer 30 is ready to explore new horizons. She can sleep up to 5 persons and the pilothouse gives ample shelter in the more colder climates. The bow thruster and full furling sails makes this pocket-cruiser very easy to handle. She also has a mast-lowering system and shallow draft keel which makes her a real "go-anywhere, anytime" type of yacht.
