SEALINE 450 STATESMAN

BROKER'S COMMENTS

The Sealine 450 Statesman offers an unique use of space, combined with quality construction and all-around performance. Her three-stateroom layout is both practical and well finished. The deck salon has excellent fore and aft visibility. On deck, lounge seating surrounds the cockpit, and molded steps up to the flybridge with a sun pad. Now her current owner improved an already good yacht even more with new electronics and sternthruster. She can spurt along with 25 knots plus or economically cruise at 7 knots.
