NOORDZEEKOTTER 1200 OK

BROKER'S COMMENTS

Built by the much appreciated Brandsma Shipyard, the Noordzeekotter 1200 is a known type of open cockpit yacht on the European waterways. Sturdy, well built and a lot of nice practical details she offers the owners couple and the occasional guests, a lot. Easy to handle with 126hp on tap, and bow-stern thrusters. Central heating, double glazing, genset, washing machine just to name a few of her creature comforts making her all weather proof. Other highlights are the large open cockpit, deck salon with 360 degree views, wide side decks and easy dock/jetty access. Located South West Netherlands.
