## BROKER'S COMMENTS

The Hanse 630, flagship of the famous Hanse Yard from Germany. Excellent performance design with cruiser sea-keeping characteristics. Four main cabins and a single crew cabin offers lots of creature comfort for longer stays onboard. Large open cockpit with mainsheet traveller on top offers the best comfort while under way or in the marina or leisurely at anchor. All over she is well balanced in design, performance and handling. So why not come over and have a look onboard. You will be pleasantly surprised. Take the onboard virtual tour: https://roundme.com/tour/234000/view/
