## BROKER'S COMMENTS

Thalia is a quintessential Valk cruiser with an enormous amount of living space and comfort. With her double glazing and Kabola heating she is well suited to live aboard for extended periods. And with a minimum air draft of 3,49m she can also cruise the French canals! She is easy to handle and manoeuvre with twin Volvo Penta diesel engines with electronic engine controls and a powerful bow and stern thruster. Why not book a viewing? She might well be the yacht for your next adventure!
