BRANDARIS 900 OPEN LIMITED EDITION

BROKER'S COMMENTS

The Brandaris 900 Open Limited Edition is a fast motor launch designed with classic lines, fitted with a spacious open cockpit and built with innovative technologies. Eye-catching exclusive design as only 10 of them were built with great details that are incorporated in the interior and exterior. The White Pearl color lets the launch shine like a pearl in the sunlight because the hull is finished with diamond powder. A unique motor launch to cruise the inland waterways in comfort and style.
