FAIRLINE SQUADRON 55

BROKER'S COMMENTS

This Fairline Squadron 55 is the latest and rare MK3 version with the much improved flybridge layout and proper flybridge stairs. She sleeps 8 in 3 comfortable cabins plus an aft crew cabin and has a spacious saloon with separate dinette. Fitted with the Volvo Penta D12 700hp diesel engines she delivers exciting perfomance as well. The 55 is a quintessential Fairline Squadron and as popular pre-owned as they were when new and this is a very well kept example with a full service history. The MK3 version does not come up for sale very often so don't miss this opportunity to make her your own!

Nick Lanting
