## BROKER'S COMMENTS

Dufour 455 Grand Large is a successful design by Umberto Felci / Patrick Roseo. A great yacht for sailing as well as for staying on board. Easy to handle sail technically thanks to the twin steering, the German Sheeting system, and the big well-placed winches. Maneuvering is also very nice with the strong engine and a retractable bow thruster. This yacht has an extensive equipment for sailing and navigation, always well maintained in the hands of the first owner. Now ready for new adventures, if you want to inspect this yacht, feel free to make an appointment with De Valk Thuishaven.
