CSY WALK-THROUGH 44

BROKER'S COMMENTS

The CSY 44 is a ruggedly built mid-cockpit deck saloon blue water cruiser. The hefty lay-up schedule and easy sailing characteristics make her appealing to cruising traditionalists. The bulletproof rub rail and a keel and ballast arrangement designed to handle a grounding piqued the interest of many cruisers. The clipper bow, the raised deck aft and the relatively high free board give her a distinctive look. This attractively priced Walk-Through version with the deep keel will be en route from Greece to the Netherlands from April 2018 onwards and can be viewed on appointment.

Nick Lanting
