GOEREE WALRUS 90

BROKER'S COMMENTS

The Walrus is a sturdy steel tug style cruiser, designed and built by the current owner. It is a practical boat with a surprisingly large pull down owner's bed forward and a double bed in the aft cabin. A galley and bathroom with an electric toilet are fitted as well. A strong and economical 115hp Nanni diesel with only 400 hours takes care of the propulsion and docking the boat is child's play with the help of the Vetus electric bow thruster.

Nick Lanting

SPECIFICATIONS

Dimensions	9.70 x 3.60 x 1.00 (m)	**Builder**	Self Built
