GRAND SOLEIL 46.3

BROKER'S COMMENTS

This very popular model of Grand Soleil is well known for her elegant appearance and of course her performance and cruising abilities. The 46.3 best described as a fast modern cruising yacht for family and friends. She has excellent characteristics of sea kindliness, safety, comfort and superior internal space. Combine those features with the electric winches and bow thruster, you have a winning combination. This Italian Swan is uniquely attractive in design, styling and performance.
