JEANNEAU PRESTIGE 36

BROKER'S COMMENTS

With the Prestige 32 and 36 Jeanneau established their footing in the modern fly bridge cruiser market. Not surprisingly they were an instant success. Keen ergonomics below and above decks, comfortable throughout and safe for extensive in- and offshore cruising. This Prestige 36 comes well stocked with lots of equipment and the more desirable D6-310 engine package. Its twin cabin layout will offer privacy and comfort as well as larger entertainment area in the cockpit and fly bridge. So hop onboard and start enjoying her.
