X-YACHTS X-362 SPORT

BROKER'S COMMENTS

Niels Jeppesen, designer for the Danish X-Yachts, has taken his successful X-362 and modifies her to the X-362 Sport. With the same hull and comfortable accommodation, but more sail area, deeper and ighter keel to increase stability and better sailing performance. She is easy to handle with an under deck headsail furler and a powerful good trimable mainsail. Her interior is as on the classic; a roomy saloon and two cabins. "Twee Gezusters III" is not a hard raced yacht, mostly cruised by experienced sailors.
