## BROKER'S COMMENTS

This elegant Dick Koopmans sr. design was built the renowned Dutch shipyard Victoire Jachtbouw. This particular 1044, a refined successor of the 34, is of the second generation with the improved interior. An all time favorite suitable for go anywhere, anytime, she can cruise safely with great handling, speed and comfort. She provides ample comfort below decks as well as on deck with a good clean deck layout and deep cockpit. Very longlasting and sturdily built for the sea she is also well balanced and can handle rough weather and is ideally suited for long distance cruising.
