FLEVO TRAWLER 1700

BROKER'S COMMENTS

Based upon the Dutch Zuidwal fishing trawlers, this truly round bilged Flevo Trawler is designed by known Martin Bekebrede. Lovely lines, sturdy built, excellent sailing characteristics, this round-bilged double ender features a spacious pilothouse-saloon and full beam owner cabin. Also has 3 cabins for entertaining friends and family. Reliable John Deere diesel and generator provide the power you need. The current owner had spud poles fitted for safe and easy docking/anchoring. Live-onboard capable with double glazed windows and central heating system.
