## BROKER'S COMMENTS

The Oceanis 31 is considered as the ultimate modern family cruiser. She has a timeless design and offers more comfort and space as her competitors in her class. The large cockpit offer you a feeling of safety and comfort. Easy and simple to handle and comes equipped with an extensive list of extra's you will appreciate. This Bulkhead version with two separate cabins provides for maximum comfort and privacy. It is a layout that suits sailing with friends or children. In "as new" condition (really), ready for delivery and a real good offer against the new price incl. all the extra's.
