NAJAD 400

BROKER'S COMMENTS

Following in the footsteps of the famous Najad 391, the new Najad 400 model improved where the 391 could be improved and took the Najad 400 onto another level of practicality, handling, sail performance, styling and overall stowage space. The premium Scandinavian build quality and finishing could not be improved. One may consider the Najad 400 to be one of the better "one-couple-cruising-yacht" available. Comfortable to be onboard, comfortable when sailing and comfortable to handle with twin electric winches and bow thruster. Come on board and see for yourself.
