BROKER'S COMMENTS

The 'Fair Lady', a Eurobanker 38 trawler from 1979, has had almost a complete refit since 2004. She has a spacious saloon with dinette, an owner's cabin, a guest cabin and two en suite bathrooms, and this makes this Eurobanker suitable for longer stays on board, also because of the diesel heating, generator and inverter. She can be easily handled from the lower helm as well as from the flybridge helm with a bow and stern thruster and the Ford Lehman diesel engine guarantees low fuel consumption. This Eurobanker 38 can even sail the French canals because of her low air draft!
