## BROKER'S COMMENTS

This is a unique opportunity to sail away in an almost new Jetten 50 MPC without the wait. This 50 MPC of the first owner is from 2015 and has only been used a couple of times on fresh water! The interior is as new as well! Come and see for yourself and be prepared to be surprised by the enormous feeling of space and on board comfort. The modern design by Jetten in cooperation with Vripack is timeless and the quality of finish and engineering is what you can expect from a renowned Dutch shipyard. The "SUNSHINE" is moored at our sales pontoon and is certainly worth a visit.
