RAPSODY R32 CLASSIC LINE

BROKER'S COMMENTS

Rapsody R-32, built by Rapsody Yachts, launched 2006. The R-32 shows an off-white colored hull which creates a beautiful contrast with the varnished superstructure. The mahogany finished interior shows 2 berths and a bathroom. The large cockpit offers the steering position with chair and bench, also 2 settees and a cockpit table. The cockpit cover is mounted on a stainless steel frame. The R-32 is equipped with a.o. Webasto heating, electric toilet and electric bow thuster. Needles to say that this R-32 is in 'ready to go' condition.
