## BROKER'S COMMENTS

The Dufour 36 Classic was introduced as a transition model between the 35 and the 38 Classic. What was lacking on the 35, the Dufour 36 Classic is well appreciated for the sail performance and comfort below decks. This particular Dufour 36 offers a spacious two cabin layout with the biggest owner cabin forward in her class. Inside the woodwork has been kept in good condition. She remained with her first owner till last year and now only due to a sudden change in owners plans, back for sale. So looking for a good family cruiser, this Dufour 36 may be the yacht for you.
