MALO 45

BROKER'S COMMENTS

Malo yachts have an excellent reputation and are the epitome of the much appreciated Scandinavian craftsmanship. The Malo yard have been around for many years and have a strong following for their Leiff Angermark designs. With the sheltered and safe cockpit, comfortable interior and build quality they are considered to be one of the best blue water cruisers. This Malo 45 (standard version) has the 3 cabin layout and modern stern. She has been upgraded and maintained well and has served her current owner (3rd sinces 2012) very well. Till 2006 only used as a demonstrator yacht.
