# LONG RANGE TRAWLER 42

## BROKER'S COMMENTS

This Long Range Trawler 42 is quite unique on the European market. In "as new" condition this trawler was conceived, built and fitted out for Atlantic crossings and any other destination you can think of. Very comparable and in some cases even better than Diesel Duck and Seahorse Trawlers. Much effort was put into safety, comfort, reliability and range. She can cruise up to 5000nm. With her full beam salon you will be surprised how much accommodation, storage and space has been created. A rare opportunity to obtain an almost new, true "go anywhere, escape from it all" Trawler Yacht.

*Marc Weijenberg*

## SPECIFICATIONS
