DE VALK  
YACHT BROKERS

## BROKER'S COMMENTS

Winner 1120, a Van de Stadt designed yacht, built by Winner Yachts is a real eye catcher due to her high rigging and solid course stability. This makes for fast and relaxed sailing. The wide gangways increase safety and comfort. The spacious saloon gets his unique atmosphere through the teak finish making it the perfect spot to entertain or relax by yourself. The navigation area with it's big chart table and comfortable chair has plenty of space for all the equipment needed to navigate through open water or narrow passages. This Winner 1120 has it all, proper headroom included.
