ENDURANCE 38

BROKER'S COMMENTS

Elegant design from Peter Ibold with classic lines and more modern underwater body with fin-keel and skeg hung rudder. With her second owner she has proven herself to be a very safe and reliable family cruising yacht. She is stable and secure also in more adverse condition. Nice woodwork inside with large windows in the salon providing ample light and good view of the surroundings. Good stowage space and deep cockpit for safety when underway. An ideal "go-anywhere-any-time" offshore yacht if you want to explore distant shores.
