SABRE 362

BROKER'S COMMENTS

Most charming appearance in the European Waters, rare to the market and a once in a lifetime chance to purchase a performance luxury cruiser like the Sabre 362. You will be pleasantly surprised by the amount of space and fine craftsmanship she has to offer. Combining that with the well balanced sail performance and solid construction, this is an offer you may not be able to refuse once you have visited her. Offered by her very first and only owner, lots renewed and fitted with a shallow draft wing keel so you will be able to cruise any European waters.
