BENETEAU SWIFT TRAWLER 42

BROKER'S COMMENTS

Reknowned yachtbuilders Beneteau have created a new innovative line of fast trawler yachts. There is an abundance of space and accommodations onboard. Cruising the inland waterways or doing fast sea-going crossings, the Swift Trawler 42 can do it all . The twin Yanmar diesels provide ample power and with modern technology, are also economical in use. The layout and details have been well-thought through. So if you are contemplating the next step of full comfort motor boating, this Trawler 42 should be on your short list.
