

HUISMAN SLOOP

BROKER'S COMMENTS

This beautiful Huisman Sloop "Sayonara" is being built at Royal Huisman Yard to a design by Jac de Ridder for her first and only Dutch owner. She is ideal for cruising around the area and also for some long -range cruising or regatta sailing. This Huisman sloop is a centre cockpit sloop laid out for ease of operation, the interior is a functional space enclosed in low maintenance modern- style teak. Filled with innovations and warm surprises.
