

VAN DE STADT 65

BROKER'S COMMENTS

"Heidenskip" 65 ft lifting keel aluminum performance sailing yacht is a proven, very fast sailing yacht under all conditions. At the same time she offers unparalleled comfort for her crew, with no need to leave the safety of the cockpit. She is the ideal boat for the couple that is looking for a yacht ready to go anywhere and still be able to go on anchor in the shallows of the Caribbean.
