HUISMAN 41

BROKER'S COMMENTS

"Nessie" this unique Huisman 41 carries on, in every detail, the proud heritage of Huisman Yachts. These details, from the shape of the hull to the design of the rig, create a yacht that is elsewhere unmatched for serious sailing as well as for gentle cruising. It is a very fast, easy to sail yacht. The first owner made no expense, maintaining her in the current immaculate condition.
