DE VRIES LENTSCH MS

BROKER'S COMMENTS

A sturdy built classic De Vries Lentsch motorsailer, in mint condition. Her round bilged S-shaped hull (flange welded) with ample draft for offshore cruising, large enough tanks for fuel and water for long distance cruising. She has been refitted in the last 5-8 years to a very high standard, the list is very comprehensive (including new teak decks). Dry winter storage since 2011 in Germany. This motor sailer is ready for extensive "all weather" cruising with twin steering positions. So dry-sailing always available at last!
