MALO 36

BROKER'S COMMENTS

With her centre cockpit and separate aft cabin, she provided lots of extra space and possibilities for family and friends. Very sturdy built (Scandinavian craftsmanship!) and safe, she is a very reliable and safe cruising yacht with ample storage space for equipment/fuel/water/etc. Famous Leiff Angermark was responsible for her design, resulting in a well balanced and safe cruising yacht with speed potential to match.

Johan Nooitgedagt
