HALLBERG RASSY 54

BROKER'S COMMENTS

Hallberg-Rassy has a phenomenal reputation for building safe, seaworthy and comfortable boats, and this 54-footer "Waterman" is no exception. Everything on this boat is like that for a reason – nothing is left to chance. Her wide, uncluttered decks, no-thrills rig and deep, comfortable cockpit all combine to make her feel very stately, while the push-button controls make her very easy to sail. This is a boat for bluewater cruising par excellence – she'd take you almost anywhere without you needing to break a sweat.
