HALLBERG RASSY 312

BROKER'S COMMENTS

Introduced in 1979, the Hallberg-Rassy 312 was designed by Christoph Rassy and Olle Enderlein. It was one of the most popular models Hallberg-Rassy built, with almost 700 built during the long production run from 1979 to 1993. A small yacht made for big waters. This design is sturdy built with the comfort and luxury finish what you would expect from a Hallberg Rassy. Her owner has kept her in good condition during the years.
