FINNGULF 33

BROKER'S COMMENTS

With the Finngulf 33 emphasis is placed on performance, sound and attractive construction, good living comfort on board and easy handling for shorthanded crews. A common ingredient in all Finnngulf yachts is a larger sail plan and heavier ballast. The deck layout and modern reefing system combines to allow for easy reefing when the wind picks up. This makes the Finngulfs outstanding performers in all sea and wind conditions.
