VICTOIRE 1044

BROKER'S COMMENTS

A well known all time classic yacht designed by Dick Koopmans and built by Victoire Jachtbouw. This yacht can go anywhere, anytime, she can cruise safely with great handling, speed and comfort. Long-lasting and sturdily built for the sea, she is also well balanced and can handle rough weather and is ideally suited for long distance cruising This 1044 is in a very good condition, is well maintained by the first owner and ready to go where you want her to go!
