MALO 36

BROKER'S COMMENTS

The Malo 36, one of Malo's best sellers, are well known as a high quality, ocean-going sailing boats. A superb sailing yacht capable of handling the roughest of conditions at sea, the Malo 36 still looks elegant in the harbour and the envy of other boat owners. This is a yacht for those that appreciate quality, reliability and beauty! With just two owners to date, 'Tuadh Mumhan' has been extremely well maintained throughout her short life. She features many extras and is fully equipped for long-distance cruising and extended periods of living aboard. A must see!
