TRINTELLA 58A

BROKER'S COMMENTS

Every element of this fine Trintella 58A reflects what a proper luxury cruising yacht should be. Her owner kept her in a very good condition and replaced both, the main engine and generator in 2012. With her hydraulically operated full furling Reckmann rig, "Evve" offers easy handling and thoroughbred performance. As one may expect from her designers Van de Stadt & Partners. She has good accommodations for up to six people in three separate cabins. This Trintella 58A is ready to go and can be visited on appointment.
