MAREX 370 AFT CABIN CRUISER

BROKER'S COMMENTS

As a pocket offshore motor yacht this Marex 370 aft cabin cruiser was constructed with Scandinavian flair and craftsmanship. She has a safe and large cockpit with easy access and is ideal for in- and offshore cruising. This particular Marex 370 aft cabin cruiser has been very little used, has practically been never slept on and has very low engine hours. She is owned by her first and only owner and offers three comfortable cabins and the decksalon/pilothouse is very comfortable and offers you a 360 degree panoramic view. Come and inspect her on location.
