BROKER'S COMMENTS

Built by the Kanter Yachts shipyard in Canada and designed by Chuck Paine and Mark Fitzgerald, this beautiful Kanter 65 was created to offer an impressive performance, genuine ease of operation and a truly exceptional luxury and style. This aluminium sailing yacht is equipped with all modern comforts, including a spacious luxury saloon with a large galley, large guest quarters and on-board navigation, making her suitable for both short and long stays. Described as a 'small superyacht', this Kanter 65 can be visited 7 days a week at our office in Hindeloopen!

Henri van Eelen
